#### **SYNOPSIS**

Jenny is a skilled financial professional and chartered accountant. She holds an MBA and a Bachelor of Business from RMIT University. Prior to joining Bates Smart, Jenny was a Senior Manager at KPMG, and earlier to this held senior financial positions in leading Australian public companies. Within Bates Smart, Jenny is responsible for financial management and developing and maintaining our commercial and contractual relationships. She is a strong and energetic leader who drives both value and commercial outcomes for the practice and its business partners.
