SYNOPSIS

Steve is highly experienced and has worked internationally on a broad range of projects. Steve commenced his career in Melbourne working with Denton Corker Marshall on several major projects, including; 101 Collins Street, Melbourne Exhibition Centre and the Melbourne Museum. Following this Steve relocated to Warsaw, Poland where he joined Aedas as a Director. In 2011 he relocated again, this time to Aedas's Hong Kong office where he was given the task of creating a new residential interior design team.

In 2014 Steve returned to Melbourne and joined Bates Smart, working on a number of significant mixed-use projects. Steve's exposure to a wide range of cultures helps him to understand the varying needs of clients, consultants and contractors and how to apply methods which allow the entire team to work together harmoniously. His key strength is an ability to communicate effectively with clients to fully understand their needs.
